**Goodbye Interns!!**  
The Congressional Award was lucky to have three great interns this summer. Corey Wielert, Chris Pavasaris, and Ashley Schneider have done an excellent job. Their assistance will be greatly missed around the office. We wish them the best of luck in their future endeavors.

Congressman Jerry Costello (IL12) presented Patrick Novak with his Gold Medal in a recent ceremony.

**Goodbye Amanda Lynn!!**  
Amanda Lynn, our Central Program Coordinator, has moved to Texas. She will be starting law school in Houston and getting married. We already miss her. She plans on keeping ties with the Congressional Award as an Advisor in Texas. A new Central Program Coordinator will be starting soon.
