

Building A Strong Resume

● Be Direct and Concise

- Keep your resume summarized, preferably one page.

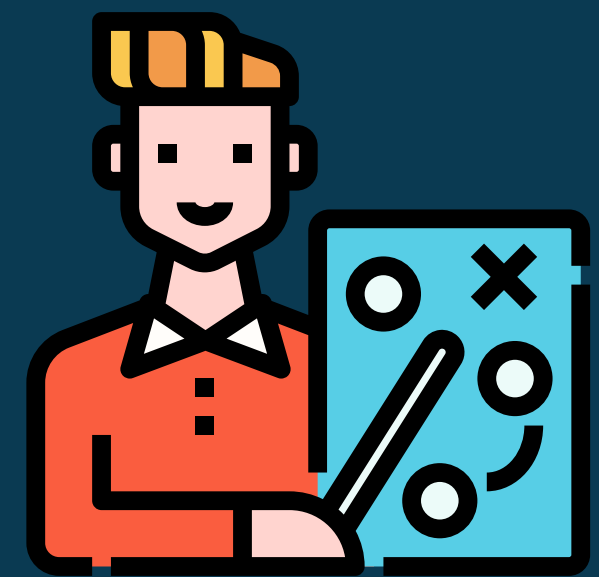

● Utilize Concrete Examples

- Sell yourself with specific actions and achievements - be detailed.

● Follow Instructions

- Watch for specific wording when applying and do not deviate.

● Use Correct Language & Terms

- Stay on brand with the employer's mission statement. Customizing your resume to match each employer is recommended!

● Provide Your LinkedIn Handle

- This helps build your network and show any additional experience.
